

# Leanne Butterworth

Keynote Speaker | Empathy Educator

Do it with healthy empathy,  
or not at all.

## About Leanne

Leanne will **engage your audience** to take healthy empathy from a “nice to have” soft skill to a “must have” superpower. Leanne is an empathy educator, TEDx speaker, author, university lecturer and social entrepreneur on a mission to create happy, healthy workforces and communities by delivering empathy content that is **interactive, accessible and fun!**

## Empathy in Action

During empowering and engaging keynotes your audience will discover:

- Healthy empathy is a **learned skill**, not just a trait.
- Healthy empathy enhances workplace **culture, engagement** and **wellbeing**.
- Healthy empathy drives **positive change** and **revenue**.
- **Simple tools and techniques** to enhance empathy skills personally and professionally.

## A Unique Experience

Audiences don't just leave with insights—they leave **empowered, equipped, and ready** to create more inclusive, connected, and high-performing teams. Topics Include:

- **The Empathy ROI** - How Connection Drives Profitability
- **Lead with Impact** - The Empathy Edge in Leadership
- **Stronger Together** - Building Teams That Thrive
- **Connection First** - Empathy Inspires Customer Loyalty
- **Design with Heart** - Empathy as the Key to Transformative Solutions

Empathy isn't about “being nice”—it's a proven driver of innovation, retention, and revenue. So, why settle for average when you can lead with empathy and attract, retain and thrive?

*Leanne provided an exceptional training experience that truly opened our eyes to the importance of empathy. The sessions were engaging, insightful, and filled with practical strategies we could implement immediately. I highly recommend Empathy First for anyone looking to gain valuable insights into healthy empathy and enhance their workplace relationships.*
